1.1.7.5 Aggiungi carrello

UseCase in package 'Casi d'uso Carrello'

Tramite un pulsante messo su ogni prodotto risultato della ricerca, si invia al server il prodotto da aggiungere e questo lo aggiunge al carrello.
 Se il prodotto è già nel carrello ne viene incrementata la quantità, altrimenti si crea una nuova associazione con quantità pari ad uno.
 Sull'intestazione viene visualizzato il numero di elementi nel carrello (somma delle quantità).
